

SmartSavings Program pays you back

BELD's new SmartSavings program pays residential and small business customers with smart thermostats for their reduced energy usage, helping the community be more sustainable

For more details visit thesmartsavingsprogram.com

Get paid to save energy this year! Sign up for BELD's new SmartSavings Program and score a \$60 electronic gift card just for joining—plus an additional \$20 gift card for participating in Community Energy hours. All you need is an installed qualified smart thermostat device from Nest, Simple or Honeywell.
